(2) The employee must display proper identification credentials on his or her uniform and ensure that the identification is visible at all times during the transportation of violent prisoners.

### **§ 97.16 Clothing requirements for transported violent prisoners.**

Companies covered under this part must ensure that all violent prisoners they transport are clothed in brightly colored clothing that clearly identifies them as violent prisoners, unless security or other specific considerations make such a requirement inappropriate.

### **§ 97.17 Mandatory restraints to be used while transporting violent prisoners.**

Companies covered under this part must, at a minimum, require that violent prisoners be transported wearing handcuffs, leg irons, and waist chains unless the use of all three restraints would create a serious health risk to the prisoner, or extenuating circumstances (such as pregnancy or physical disability) make the use of all three restraints impracticable.

### **§ 97.18 Notification of local law enforcement prior to scheduled stops.**

When transporting violent prisoners, private prisoner transport companies are required to notify local law enforcement officials 24 hours in advance of any scheduled stops in their jurisdiction. For the purposes of this part, a scheduled stop is defined as a predetermined stop at a State, local, or private correctional facility for the purpose of loading or unloading prisoners or using such facilities for overnight, meal, or restroom breaks. Scheduled stops do not include routine fuel stops or emergency stops.

### **§ 97.19 Immediate notification of local law enforcement in the event of an escape.**

Private prisoner transport companies must be sufficiently equipped to provide immediate notification to law enforcement in the event of a prisoner escape. Law enforcement officials must receive notification no later than 15 minutes after an escape is detected unless the company can demonstrate that extenuating circumstances necessitated a longer delay. In the event of the escape of a violent prisoner, a private prisoner transport company must:

(a) Ensure the safety and security of the remaining prisoners;

(b) Provide notification within 15 minutes to the appropriate State and local law enforcement officials;

(c) Provide notification as soon as practicable to the governmental entity or the privately run incarceration facility that contracted with the transport company; and

### **§ 97.20 Standards to ensure the safety of violent prisoners during transport.**

Companies covered under this section must comply with applicable State and federal laws that govern the safety of violent prisoners during transport. In addition, companies covered under this section are to ensure that:

(a) Protective measures are in place to ensure that all vehicles are safe and well-maintained;

(b) Vehicles are equipped with efficient communications systems that are capable of immediately notifying State and local law enforcement officials in the event of a prisoner escape;

(c) Policies, practices, and procedures are in effect to ensure the health and physical safety of the prisoners during transport, including a first-aid kit and employees who are qualified to dispense medications and administer CPR and emergency first-aid;
